

Christmas Table Runner

Approx. finished size: 32" by 13"
By Valerie Nesbitt

Fabrics requirements:

30cm Red Fabric
30cm Green Fabric
Fat Quarter Cream fabric

or

30cm Grey Scandi
30cm Red Scandi
Fat Quarter Grey stars

Cutting Instructions

From both the red and the green fabric you need to cut 6 pieces 10" x 3.25"
From the cream fabric you need to cut 12 squares 3.25"

Workshop Notes

It is assumed you will sew with ¼" seam allowance; but so long as you are consistent the seam allowance doesn't really matter it will just affect the overall size of the table runner.

Sewing:

- Attach a cream square to one end of each of the red and the green fabric pieces.
- Lay these out above each other, ready for sewing, so that the cream squares alternate from the left hand side and right hand side.
- NB: if you have selected fabrics that are directional you may want to lay all the pieces out first before sewing anything together.
- Lay the pieces out as per your final design; you can then sew together in pairs and for those who like to strip pieces you can then sew the pairs together – you will get 3 sets of 4 which are then sewn together to make the table runner.
- Press seams to one side.

Layer, quilt and bind
