Class Description:

This is an ideal opportunity to get to know your sewing machine, its functions, accessories, and capabilities. Understanding your sewing machine will enhance your sewing experience and build your confidence as you learn how to get the most from your sewing machine. If you are new to sewing this is a great starter course.

You will also learn some simple piecing and rotary cutting plus lots of tips from Cathy!

Fabric Requirements:

- Scraps of material approx. 5" by 12" or bigger – ideally in a similar weight to what you intend to sew with on your machine.

Equipment:

- Your own sewing machine.
- Don't forget foot pedal, power lead and accessories e.g., feet, bobbins, needles, plus your manual / booklet
- Plain threads
- Notebook and pen
- If you have a sewing kit, including scissors, pins, needles and threads, please bring them along.

Please remember:

- We have 6 sewing machines (Janome M100 QDC) for hire; if you would like to hire one for this class, please do book one in advance – they are available on a first come, first served basis.
- The windows may be opened periodically during the class to allow for adequate ventilation.
- To bring your own equipment where possible.
- Please read the terms and conditions (under "Classes and Demonstrations" on our website).
