Class Description:

Have you made a Log Cabin Quilt and now want to expand to different shapes? Then come along to learn how to make Hexagon, Curvy or Wonky Log Cabin blocks. 24 Hexagon blocks makes this amazing quilt pictured but you can use just 6 blocks to make a table centrepiece.

Fabric & Materials Requirements:

Please see the following pages for fabric requirements for each of the available options you may wish to work on.

Equipment:

- Sewing machine (don't forget foot pedal, power lead and accessories e.g. feet, bobbins, needles plus your manual).
- 1/4" foot for your sewing machine
- Rotary cutter, large cutting mat & 6" x 24" acrylic ruler
- Neutral thread for piecing (cream or grey are ideal)
- Basic sewing kit (scissors, hand needles, thread snips, unpicker, pins, etc)
- Notepad and pen
- If you have one, a 60 degree triangle ruler would be helpful for the Hexagon Log Cabin quilt. A Creative Grids Curvy Log Cabin Ruler is required for the Curvy Log Cabin, and a Creative Grids Wonky Log Cabin Ruler is required for the Wonky Log Cabin option.

Please remember:

- We have 6 sewing machines (Janome M100 QDC) for hire; if you would like to hire one for this class, please do book one in advance – they are available on a first come, first served basis.
- The windows may be opened periodically during the class to allow for adequate ventilation.
- To bring your own equipment where possible.
- Please read the terms and conditions (under "Classes and Demonstrations" on our website).

Hexagon, Curvy and Wonky Log Cabin Quilts

Hexagon Log Cabin Quilt (approx. 80" by 92")

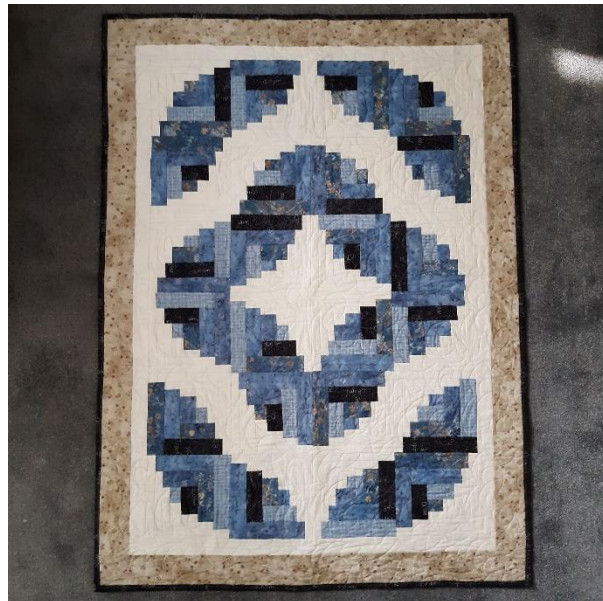

Either 2 Jelly Rolls (40x 2.5"strips per roll), **OR** 3 CQ Strip Rolls (20x 2.5"strips per roll)
