Class Description:

Learn how to make a basic small drum lampshade, using one of the beautiful fabrics we sell in the shop. This course, across two mornings, will give you the skills to move onto making different sizes and shapes of lampshade. There is no sewing on this course, but Ann will discuss ways that you can use collage, patchwork and sashiko to create original fabrics to cover your future shades and make them absolutely unique.

You will need to purchase a kit - available to order, when you book this class, for £17.50
