Class Description:

Appliqué patchwork is a fairly simple technique once you have mastered reverse images and fusing material without getting it on the iron! If that sounds scary, come along to this class to see how easy it can be. The block can be made into a wall hanging or a cushion or you could incorporate it into a quilt of similar designs.

Fabric Requirements:

- 100% cotton fabrics – you will need a 14" square background fabric and scraps of coloured fabrics for the tulips and vase (if you don't have scraps we do sell some fat eighths in our bargain area)

Equipment:

- 50cm Heat n Bond
- Neutral sewing thread
- Marking pencil/s that shows on light and dark fabrics
- Scissors
- 24" ruler
- Rotary Cutter
- Pins

Please remember:

- To wear a face covering / mask or face shield.
- That the windows will be kept open during the class to allow for adequate ventilation.
- To bring your own equipment where possible (including a travel mug if you have one).
