Class Description:

Do you need something portable to keep your sewing projects in?

Make either the 'A Place for Everything' bag or the 'Piecekeeper Project' bag from By Annie, they are ideal for keeping all your supplies together when you travel. A plethora of techniques combine quilting, binding, putting in zips, working with mesh and vinyl and bag hardware.

Fabric Requirements

- Will vary depending upon which bag you choose to make - see following pages.

Equipment:

- Either the *A Place for Everything* or *Piecekeeper* project bag pattern.
- Rotary cutter, cutting mat & acrylic 6" by 24" ruler.
- Sewing machine (don't forget foot pedal, power lead and accessories e.g. feet, bobbins, needles plus your manual).
- Walking foot and Free Motion Quilting (FMQ) foot for your sewing machine.
- Sewing machine needles: Anita recommends the purple tip Janome needle for bag making.
- Temporary spray adhesive for fabric (e.g. 505 spray).
- Threads for piecing and quilting
- Curved quilting pins
- Basic sewing kit (scissors, hand needles, thread snips, unpicker, pins, etc)
- Notepad, pen and a propelling pencil

Please remember:

- We have 6 sewing machines (Janome M100 QDC) for hire; if you would like to hire one for this class, please do book one in advance – they are available on a first come, first served basis.
- The windows may be opened periodically during the class to allow for adequate ventilation.
- To bring your own equipment where possible.
- Please read the terms and conditions (under "Classes and Demonstrations" on our website).

Piecekeeper

Store and carry all your project pieces or supplies in this handy zippered bag with attached handle. Fabric quilted with Soft and Stable® makes a sturdy base and the mesh front affords great visibility and a bit of added stretchiness.

Finished: 11"H x 16"W
