## Class Description:

Come along and learn how to make this stunning table mat, either in your favourite fabrics or in Christmas fabrics to make a beautiful centrepiece for the table. It uses a pre-printed Vlieseline interfacing and is made in six sections before being joined together.

## Fabric Requirements

- 0.75m Vlieseline "QuickScreen Triangle" Interfacing
- 6-9 Fat Quarters or Long Quarters or
- 6-9 strips of fabric 20cm by WOF (inner parts of star will use shorter lengths of fabric than the outer parts of the star – so the WOF could vary – but remember to have some pieces at least "standard" quilting WOF (i.e. 42"-45") for the outer edges (or double the strip widths to 40cm if you have fabrics which are not so wide, if that is the fabric you want to use in the outer parts).

You could use a combination of the above! i.e. some smaller pieces from your stash for the center of the star, then some Fat Quarters, and end with Long Quarters!

- 1m wadding
- 1m backing fabric

## Equipment:

- Rotary cutter, cutting mat & acrylic ruler
- Sewing machine (don't forget foot pedal, power lead and accessories e.g. feet, bobbins, needles plus your manual).
- Neutral piecing thread.
- Basic sewing kit (scissors, hand needles, thread snips, unpicker, pins, etc)
- Notepad and pen

## Please remember:

- We have 6 sewing machines (Janome M100 QDC) for hire; if you would like to hire one for this class, please do book one in advance – they are available on a first come, first served basis.
- The windows may be opened periodically during the class to allow for adequate ventilation.
- To bring your own equipment where possible.
- Please read the terms and conditions (under "Classes and Demonstrations" on our website).
