Class Description:

Continuing the uses for the 10 degree wedge ruler, if you have a wedge ruler and want to do more with it why not come along and make a circular quilt? Using different sizes of wedges may seem like a lot of work but Emma will share a quick and easy way to make this circular quilt (if you want it to be square when finished it is easy to do that too!).

Requirements:

- 13-14 Fat Quarters
- 2.25m background fabric
- 0.5m Freezer paper
- Wadding and backing: approximately 68" square
- 0,5m fabric for binding

Equipment:

- 10-degree wedge ruler
- Rotary cutter, cutting mat & acrylic ruler (6" by 24").
- Sewing machine: don't forget foot pedal, power lead and accessories e.g. feet (a 1/4" foot option is important), bobbins, needles plus your manual (yes, power lead and foot pedal have been forgotten, do check you have yours!)
- Thread for piecing (neutral colours are best)
- General sewing kit (scissors, hand needles, thread snips, unpicker, pins, etc.)
- Notepad and pen

Please remember:

- We have 6 sewing machines (Janome M100 QDC) for hire; if you would like to hire one for this class, please do book one in advance – they are available on a first come, first served basis.
- The windows may be opened periodically during the class to allow for adequate ventilation.
- To bring your own equipment where possible.
- Please read the terms and conditions (under "Classes and Demonstrations" on our website).
