Class Description:

Make this super easy pixelated picture using 1" squares without the faff of individually sewing together all those tiny pieces by using a squared interfacing and sewing complete rows in one go. This picture is from a free pattern by Tilda which requires 566 squares – using Emma's method means you can finish the picture (24" square) in a day!

Requirements:

- You will need to download the Tilda pattern "Garden Rose Embroidery"
- https://www.tildasworld.com/free_pattern/garden-rose-embroidery/
- The Tilda webpage will give fabric colour ideas and quantities. You will need 11 colours and a background.
- In addition, you will need 1m of Vlieseline Quilter's Grid iron on interfacing.

To get the most out of the day you may wish to cut the required number of squares from each fabric (but do NOT start sewing them together!).

Equipment:

- Rotary cutter, cutting mat & acrylic ruler (6" by 24").
- Sewing machine: don't forget foot pedal, power lead and accessories e.g. feet (a 1/4" foot option is important), bobbins, needles plus your manual (yes, *power lead and foot pedal have been forgotten, do check you have yours!*)
- Thread for piecing (neutral colours are best)
- General sewing kit (scissors, hand needles, thread snips, unpicker, pins, etc.)
- Notepad and pen

Please remember:

- We have 6 sewing machines (Janome M100 QDC) for hire; if you would like to hire one for this class, please do book one in advance – they are available on a first come, first served basis.
- The windows may be opened periodically during the class to allow for adequate ventilation.
- To bring your own equipment where possible.
- Please read the terms and conditions (under "Classes and Demonstrations" on our website).
