### Class Description:

Using up strips of left over and scrap fabric. This quilt block is a take on the traditional log cabin but using 2 sizes of strips to form the curve illusion. Anita will show you how using the Creative Grids curvy log cabin trim tool (available to buy in the shop) makes this block simple to square up - giving accurate blocks every time.

### Requirements:

- Selection of scrap fabrics 2 ¼ inches wide and 1 ¼ inches wide in 13 different colours. Alternatively, 5 Fat 1/8ths of each 13 colourways.
- 1/2m background fabric.
- 3/4m border fabric.

### Equipment:

- Rotary cutter, cutting mat & acrylic ruler (6" by 24").
- Sewing machine: don't forget foot pedal, power lead and accessories e.g. **feet\***, bobbins, **needles\*** plus your manual & stitch guide (yes, power lead and foot pedal have been forgotten, do check you have yours!).  
\* **You will need a ¼" foot for your sewing machine.**
- A Creative Grids **Curvy Log Cabin** ruler.
- Thread for piecing
- General sewing kit (scissors, hand needles, thread snips, unpicker, pins, etc.)
- Notepad and propelling pencil

### Please remember:

- We have 6 sewing machines (Janome M100 QDC) for hire; if you would like to hire one for this class, please do book one in advance – they are available on a first come, first served basis.
- The windows may be opened periodically during the class to allow for adequate ventilation.
- To bring your own equipment where possible.
- Please read the terms and conditions (under "Classes and Demonstrations" on our website).
