Class Description:

3D projects are not as hard as you think! Come along to this class and Emma will show you how to make tumbling blocks with no Y seams – you can easily turn your work into a cushion or scale up the blocks to make a quilt.

Requirements

- 3 fat quarters – 1 dark, 1 medium and 1 light shades
- 20" square of calico
- 20" square of wadding
- 35cm by WOF fabric for backing
- 60 degree triangle ruler (if you have one) or straight ruler with 60 degree marking on it
- 16" square cushion pad

If you want to make a quilt rather than a cushion you will need 2m of each of the 3 fabrics, you will not need the calico, wadding or backing fabric until you have made the quilt top and know what size it is.

Equipment:

- Rotary cutter, cutting mat & acrylic ruler (6" by 24").
- Sewing machine: don't forget foot pedal, power lead and accessories e.g. feet (a 1/4" foot option is important), bobbins, needles plus your manual. (Yes, power lead and foot pedal have been forgotten, do check you have yours!)
- Thread for piecing (neutral colours are best)
- General sewing kit (scissors, hand needles, thread snips, unpicker, pins, etc.)
- Notepad and pen

Please remember:

- We have 6 sewing machines (Janome M100 QDC) for hire; if you would like to hire one for this class, please do book one in advance – they are available on a first come, first served basis.
- The windows may be opened periodically during the class to allow for adequate ventilation.
- To bring your own equipment where possible.
- Please read the terms and conditions (under "Classes and Demonstrations" on our website).
